

Sales Account Executive – Saskatchewan, Canada Based

You have the exciting opportunity to contribute to our Post-Start-up Wireless Technology Company in a fast-paced, make-the-rules-as-you-go environment. Exponential growth will bring you great earning potential, limited only by your efforts, creativity and drive to succeed. Your territory is the World but maybe start closer to home to assure success.

Text2Car is a Saskatoon-based company that provides a family of wireless communications products and services to help businesses and governments manage employees, vehicles and assets (aka Fleet Tracking). Using the latest cellular and GPS technology, we offer customers the ability to control and monitor from one to thousands of devices simultaneously from any internet connected device ... from anywhere in the world.

We Expect You To:

- Meet monthly sales targets
- Make volume telephone calls & face-to-face meetings with a vengeance
- Create a level of urgency with every conversation to quickly solve and fulfill your client needs
- Be comfortable in lead generation, presenting, negotiating and closing sales
- Be responsible and self-reliant
- Be willing and open to learning what we do and how we help our Clients
- Have fun and be prepared for great things

Your Skills and Qualifications:

- You DO NOT require technical knowledge
- Prior outside/inside sales experience
- You know the drill ... We really don't need to explain more

We Provide You:

- We start you off with \$5,000 a month with opportunity to at least double it
- Quarterly & annual bonuses
- Health, prescription, optometry & dental plan
- On-the-job advanced sales training
- A challenging & rewarding Career This is Not just a job
